VILLAGE OF FRAZEYSBURG

COUNCIL MEETING MINUTES

8/11/2025

REGULAR SESSION

The Village of Frazeysburg Council convened in regular session from 6:01 p.m. to 7:54 p.m. at the Township Hall.

The reciting of the Pledge of Allegiance was led by Mayor Wolford.

PRESENT:
EMPLOYEES*:* Josh Marohl, Chief Eli Bourne, Fiscal Officer Grable, Office Assistant Evans, and Pool Supervisor Janssen

VISITORS: Terry McKiernan, Rachel Ruffer, Cory Buttrick, Sarah Matthews, Shana Simmons

Roll call was made with the following members present:

- ✓ SMITH
- ✓ REISINGER
- ✓ LAUGHTON
- ✓ HINDEL

Absent: ROSS

- Motion Laughton, Second Smith approving the minutes from **July 14, 2025** regular council meeting. **FOUR (4) YEAS, ZERO (0) NAYS**
- Motion Hindel, Second Laughton approving the minutes from **July 17, 2025** special council meeting. **FOUR (4) YEAS, ZERO (0) NAYS**

Council Member Smith had a question on the payment of bills about the reimbursement for mileage for village employees, she wanted to know if that included overnight stays or if it was only travel. Fiscal Officer Grable stated that overnight would fall under a separate category. Council Member Reisinger wanted to know if when it shows square on the payment of bills if it is charging us for use of credit cards. It was stated that yes it does to which he asked if we were charging a fee for cards, it was explained that yes, we have a service fee for customers that use their cards.
Motion Reisinger, Second Smith approving the payment of bills for **August 11, 2025**. **FOUR (4) YEAS, ZERO (0) NAYS**

Mayor Wolford opened the floor to any Trash Bid Representatives that wished to speak.
Rachel from Waste Management spoke on how they had brought their driver that currently drives the Village route for them and that they understood that most of the concern of the residents was lower rates and no increases; so, they had lowered their bid. She also mentioned that they have been the villages provider for several years. She brought up that after the tornado they brought dumpsters to help the village with clean up. She mentioned that 73% of the customers use online bill pay and auto pay and that might cause a delay in switch. Waste Management does offer recycling but is not required; they just require 40% participation to offer it.

Cory from Rumpke spoke on their reliability: he stated that their Company had just had an incident in Zanesville where they had to have their Nelsonville team come and help to get the route completed. Council Member Smith asked if they offered online billing since most of the residents used it. Cory stated yes, they provide the services through a third-party vendor.

Sarah from Win Waste stated that she felt that WinWaste was the best option for what the Village required in a disposal pickup service. She stated that WinWaste offered the lowest price as well as both trash and recycling services with no fuel fee or annual rate increase. Sarah also stated that WinWaste does not require a set percentage of customers for recycling and also offer online payment as for customers as well.

Shana from Kimble explained that Kimble fully bid what was asked in the request for bids. She explained that Kimble already services most of the commercial customers within the Village. Kimble is large enough to offer backups in cases of emergency. The quote Kimble presented would be a 9% saving from the current contract. It was asked what other municipalities they serviced.; South Zanesville, New Concord, and Coshocton were provided as the answer.

Terry from Shackleford explained that he understood that the Village would like to see local options and that is what Shackleford is. He explained that they had around 32 employees and if you call in with a problem you are going to speak to a real live person. If you have other bags outside of your tote their drivers will get out and pick up the bags. Terry stated that every contract they have ever won has continued to renew since coming on board. The also have online billing; there is a 2% fee but if you sign up for auto pay there is no extra fee. If chosen, Shackleford will send out a mailer to customers about the change.

After hearing everyone speak Laughton made a motion to go into executive session citing: details relative to the security arrangements and emergency response protocols for a public body or public office…. Matters discussed could reasonably be expected to jeopardize the security of the public body… second by Reisinger.
FOUR (4) YEAS, ZERO (0) NAYS

Laughton made a motion to return from executive session, Second Hindel
FOUR (4) YEAS, ZERO (0) NAYS

A vote was held for each Council Members choice of trash providers:
Hindel- Shackleford
Reisinger- Shackleford
Smith- Shackleford
Laughton- Shackleford

RESOLUTION 29-25 Motion Laughton, Second Hindel suspending the rules on A RESOLUTION AUTHORIZING THE EXECUTION OF A CONTRACT WITH SUCCESSFUL BIDDER SHACKLEFORD SERVICES, FOR RESIDENTIAL SOLID AND YARD WASTE COLLECTION AND DISPOSAL; AND DECLARING AN EMERGENCY. **FOUR (4) YEAS, ZERO (0) NAYS**

Motion Laughton, Second Hindel adopting A RESOLUTION AUTHORIZING THE EXECUTION OF A CONTRACT WITH SUCCESSFUL BIDDER SHACKLEFORD SERVICES, FOR RESIDENTIAL SOLID AND YARD WASTE COLLECTION AND DISPOSAL; AND DECLARING AN EMERGENCY. **FOUR (4) YEAS, ZERO (0) NAYS**

The Village's current Medical Insurance Agent, Tony Palandrani from Rankin and Rankin Insurance in Zanesville, Ohio, was present at the meeting and he explained that he had reached out for the annual renewal from: Aetna, Medical Mutal, United Healthcare, Anthem, and Healthy Path through Genesis. He explained that Healthy Path is being offered through a local company Quality Care Partners in conjunction with Genesis Healthcare. The plan offers three tiers: a plan through Genesis, a tier with In-Network, and an Out of Network. He also presented a document that explains the benefits of the tiers offered by Healthy Path. It is the only plan that is competitive with Anthem (current provider). Anthem started out with a quote of 6.68 renewal rate, Tony stated that healthcare will only ever go up not down. He explained that there was confusion on the renewal date with Anthem and that the renewal date is September 1st instead of October 1st like previous insurance has been. Tony stated that when he explained this confusion to Anthem, they came back and took 0.48 away from the original 6.98 rate. Council Member Smith asked if it would be possible to get a renewal date of January 1 with Anthem, Tony stated they only do renewals on May 1st and September 1st. Council Member Smith asked Mr. Palandrani what exposure he has had with Healthy Path since working with it. He stated that he has had a good experience with them. He has several clients using it and his agency is using it for their employees as well. Pool Supervisor Janssen asked how that plan would work if you went to Genesis and then got transferred to OSU Hospital for instance, it was stated that would fall under either the in network or out of network tier. Tony stated that he would send the information to Fiscal Officer Grable for the employees to look up if their provider is in network or not. It was asked if Tony could get a quote for Dental and Vision, Tony stated yes, he could do that. Council Member Reisinger wanted to know if the Village Employees have been able to look over these insurance offering as he would like to hear their opinions. It was decided finance committee would have a meeting with the employees to discuss the medical insurance renewal.

The current insurance ancillary provider, Acrisure, provided quotes for medical insurance and also renewal information on the ancillaries. Printed information was in Council packets as well.

Mayor's Court report: (as per ORC 905.033)

ENTITY	AMOUNT	MONTH
Village	$ 1,442.00	July
State	$ 433.00	July
Muskingum County Court	$ 15.00	July
Total paid out	$ 189.00	July
Computer fund	$ 120.00	July

Computer fund YTD	$ 900.00	July

FINANCE COMMITTEE REPORT: (regular type from meeting**, bold from council discussion)**

Met 7-14-25

Present: Emily McIntire, KC Smith, Carol Ross, Natalie Stillion Grable, Mayor Fred Wolford,

- The committee had reviewed the bids received for trash
- The committee had previously made a spreadsheet of overages from medical reimbursement for 2021-22; Fiscal Officer Grable asked if everyone had seen the spreadsheet that she had sent showing about twelve thousand dollars' worth of errors from the Committees spreadsheet; Smith remarked that she had not had time to review that yet.
- Council member Smith asked if they could have a special meeting for this subject as well as a few other items that she would like to discuss further.

Board of Public Affairs:

Met 7-29-25

The Board met at the Village Office. Those attending were: Mayor Wolford, Dave Ludinich, Kenny Jenkins, James Wriston, and Pam Parrill

The Board met at the Village Office.

Monthly reports were distributed and gone over.

Only business to be discussed was for 165 W 3rd St. Discussion was brought up by Water Clerk Pam Parrill about the notes in the account for this location on the monthly tap fees not being charged since 2016 because the curb box was taken out and there was no way for this location to get any water and that fees would have to be charged to reinstate water.

Mayor Wolford stated that it would not be a good idea to try to charge tap fees, since the new owner is building a house in the Village and making things nicer. He stated that if we start charging new property owners in this type of situation, it would deter them from buying and fixing up the property or rebuilding. It was stated in the meeting that the new owner was told that the taps were already in the ground, but the new owner did not come to the Officer to see about any past due or current charges either, as they should upon buying or looking to buy a property.

Pam explained about current customers already paying tap fees per the USDA agreement each month even though no water is used and wanted clarification on how to charge these new customers in this type of situations.

The Board discussed this and decided that for this location we are to charge for a meter pit, curb box, and labor for installation. Total to be determined at time of installation due to cost.

Motion to adjourn: James Wriston

Second Kenny Jenkins

- **Mayor Wolford explained to the Council that the tap fees Water Clerk Parrill was talking about was for properties that did not have water or sewer on them**

INCOME TAX: Nothing Received

PARKS AND RECREATION REPORT:

Met 8/6/25 (the following info in regular type is the committees' notes, the bold letters are what was discussed during the council meeting)

Members Present: Kurt Laughton, KC Smith

- The pool is operating at a deficit. While this has been accepted, efforts are underway to reduce the deficit. A comparison of last year's income and loss statements, attendance records, passes, and party bookings is requested to help plan future growth.
- Consideration is being given to streamlining or limiting the concession menu, possibly outsourcing food services and management similar to a neighboring pool. Plans include reviewing these options.
- Food and inventory purchases at the concession stand will stop for the rest of the season, except for need to add water and hot dogs.
- Exploring the cost and feasibility of hiring a dedicated pool chemical cleaning person is suggested. We want to look at logging hours for all employees prior to pool start time through the season. To look at feasibility and affordability.
- Approval is given for the community outreach to build a Gaga Ball court
- Yay!! The new pickleball court, who's "gona" teach us!! **It is ready for use.**
- Follow up on installing illuminated entrance signs at both ends of town and assess community and business support.
- A review is needed to determine where revenue from this year's ball tournaments was allocated.
- Plans will begin early next year to focus on growing Frew Park's revenue and community programs, as well as developing the community center.
- Clarify the status of the skate park now that land has been secured, including conversations with ADR.
- **Mayor Wolford inquired with Smith, whom owns a business and participates in Farmer's Markets in other areas, about the fees that are associated with Farmer's Markets to get an idea of profits that can be made with that type of project and or what a cost would be for food trucks. She stated that often times an annual fee was collected but an enterprise could also pay for one or a certain number of attendances. She said that there were often associations that handled that type of thing.**
- **Council Member Smith asked if the committee could get a profit and loss report of the past two pool seasons**
- **Pool Manager Janssen explained that according to the square we had made more money this year than last year**
- **Janssen stated that she understood that parks and rec didn't like that she had placed an order but all she had left for concessions was BBQ Chips**
- **Mayor Wolford asked Office Assistant Evans what her inventory was from the morning inventory she had taken, Evans reported: 25 Starburst, 5 Ring Pops, 7 bags of Mozzarella Sticks, 2 bags of Cheetos, 6 bags of Fritos, 12 bags of Takis, and 50 bags of BBQ Chips.**

- **Janssen explained that she has to deal with the customers that complain that they don't have more options**
- **Council Member Laughton stated that she could send the complaints his way and he would deal with it**
- **Mayor Wolford explained that they would have a meeting at the end of the year and that pool pass prices may have to go up**
- **Fiscal Officer Grable stated that double the people had come this year but she has not seen double in revenue**
- **Janssen explained that mechanical issues did not help the budget and she could not control that**
- **Grable explained that mechanical issues are always budgeted for, as something is always bound to break**
- **Janssen asked if since lifeguard wages had increased if the budget had been increased from last year—yes**
- **Janssen also explained that she did not like how other people sent her employees home and that she had complaints of how a situation was handled at the pool a day she wasn't there**
- **Janssen explained that they do send employees home around 4 o'clock because that is when it starts to slow down, she also states that her management decisions had not been challenged or addressed to her**
- **Parks and Rec stated that these were conversations that would happen after the season was over when they had reports and could compare this year to years in the past**
- **Janssen stated she had better ideas for things to do next year that would make the pool more money**
- **Janssen asked the mayor about the guys bringing a push mower to the pool so the lifeguard could do the mowing inside the pool so that would cut down on time that Brian and Sterling spent there; and lower costs.**
- **Committee members Smith and Laughton do thank Supervisor Janssen for the work she has poured into the pool this year**
- **The mayor stated the boys would finish out this season and they would talk about that next year**
- **Parks and rec committee made the comment that they would like to follow the direction that Mayor has given on the potential use of the ballfields and profits that could be made**
- **Reports that the committee provided in the notes received the day after the meeting were submitted and received by the committee as well as part of the Council packet (both UAN and Square reports)**

The Mayor explained that Clayton Homes wants to get more involved with the Village

SAFETY COMMITTEE:

July 21, 2025

Kurt Laughton, Carol Ross

Here's what was discussed as per recommendations from property and liability review of Village properties:

- Repair playground equipment:

We need to address rusted areas and holes in the steps of the playground equipment, as well as the need for additional ground cover under the swings.

- Develop and implement a portable/removable media policy:

Our suggestion here is to simply not use portable/removable media, which would eliminate this as an issue.

- Provide security awareness training to all employees:

We should explore available training classes and videos for this.

- Develop and implement individual email accounts for staff through a domain: This has already been completed.
- Implement password less authentication or strong passwords with MFA:

We can easily implement MFA within our Google settings.

ZONING REPORT: (the following info in regular type is the committees' notes, the bold letters are what was discussed during the council meeting)

The Village continued with the case with SEO Properties about adding a third trailer to the property. Solicitor Bennington stated that the case was now over and had ruled in favor of SEO Properties and SEO will give the Village $1,750. This covers all but $75 of Bennington's fees involved with the matter. The Magistrate ruled that SEO was within the time frame and they would be grandfathered in. Bennington stated that Council could pass an Ordinance for the future of 6 months as that is the least amount of grandfathering allowed by law. It had been passed to SEO that they must get a zoning permit for the trailer. It was asked how they will get the trailer back there; and Mayor Wolford stated that would be SEO's responsibility to figure out. Council Member Hindel asked what the Rail Road access was. It was stated 25 feet from the Rail. It was stated the current Zoning Ordinance needed updated in the near future.

POLICE REPORT:

August 2025 Report to Council and Jackson Township

Statistics for July 2025 [vs previous month]:

Total Incidents: 71 [63]

Calls for Service: 49 [51]

Traffic Stops: 22 [12]

Citations/Criminal Summons Issued: 10 [10]: 6 speeds (40/25, 41/25, 50/35, 42/25, 51/35, 45/25) 1 expired registration, 1 stop sign violation, 1 no ops, 1 noise ordinance violation

Arrests made: 2 [1]: 1 protection order violation, 1 misdemeanor warrant

Notes for the Month:

Calls remained steady this month, with a small uptick in traffic stops. Thankfully, there were no major incidents to speak of, just the normal assortment of peacekeeping and traffic enforcement. We finally got our Humvee back from the shop and are working towards swapping out the equipment once the weather cools down a bit. It was taken to the National Night Out hosted by Zanesville PD just this week (08/05), and the kids there loved climbing

around inside and getting pictures with it. We are also confirmed to be receiving two surplus cruisers from the Franklin County Sheriff's Office, and are just waiting for the OK to come pick them up. They will be a 2015 Ford Taurus and 2016 Ford Explorer. These will be used primarily as part-timer cars, or backups in the case we need more for events or repairs on our primaries. As always, please call the Muskingum County Sheriff's Office to report any suspicious activity.

Jackson Township:

Of the 49 calls for service, 8 [10] were in Jackson Township. They were as follows:

07/08 Assisted citizen on Raiders Rd after she broke down on OH-16. Gave ride back to her residence.

07/09 Tree down on Canal Rd near Vickers Hill. Stood by until removal by Co Hwy.

07/15 Addressed citizen concerns about chemicals from nearby farms possibly affecting his outdoor pool.

07/17 Checked on male walking on Raiders Rd near Old Riley. Said he was walking from Columbus to Pittsburgh.

07/19 Assisted SO w/ suspicious vehicle and persons on Black Run Rd. They were told to leave and not come back.

07/28 Checked for reckless motorcycles on OH-16 from Licking Co. Did not see any.

07/30 Assisted truck stuck on curve on Hamby Hill Rd. Stood by until wrecker got truck unstuck.

07/31 Checked for reckless sedan on OH-16. Unable to locate.

(Calls in other Jurisdictions to follow...)

Calls in other Jurisdictions:

Dresden:

07/05 Called to potential suicide attempt on Eddie Dr. Canceled prior to arrival.

07/19 Called to unruly juvenile on Allison St. Canceled by Dresden PD prior to arrival.

07/30 Called to alarm at bank in Dresden. Canceled by DPD prior to arrival.

07/31 Assisted Dresden PD/SO w/ making contact with an intoxicated female outside the Warehouse Restaurant. She was arrested and transported to jail by Dresden PD for disorderly by intox. FPD made contact w/ her husband at home to advise of the situation.

Cass Township:

07/07 Assisted SO w/ warrant in Trinway.

07/07 Transported male who left The Landing to Licking Co line.

07/11 Took custody of unknown pills found at Fanatics and disposed of them.

07/11 Assisted SO in checking alarm at Ridge Corp. Checked OK.

07/19 Assisted SO in checking on elderly female walking on Bottom Rd.

As always please be sure to keep an eye out for any suspicious activity and report it to the Muskingum County Sheriff's Dispatch center at 740-452-3637 or call 911 in case of an emergency.

- **Council member Smith asked if drug bust money has to be used for the Police Department. Chief Bourne stated yes it must be used for Police Department needs. Smith asked how the Village gets money if we cannot handle an OVI case. Bourne stated OVI cases are tricky, we can legally handle the first but it is better to send to County. The question was raised as**

to why the dept. needed a breathalyzer? Bourne explained that there was a time factor involved and the nearest is either at the county jail on East Pike or another Police Dept. Bourne explained that only Sergeant Marohl and himself were certified on the breathalyzer used for OVI cases. It was asked if we could charge when other departments used our equipment, Bourne stated "no" as every department tries to help each other out.

- **Chief Bourne also explained that he was going through the Muskingum County Prosecutor's office to get money for the radios to go with the grant that had been received that allows for the purchase of used radios; upgraded to the current required standards.**
