LEGISLATION:

NEW AND EMERGENCY:

Council had questions on this Resolution including…
Council member Resinger asked what the details were concerning the construction of the duolator. Mayor Wolford explained the process; it was asked if it had to be done now, it was explained that it should have been done in 2015 and much of the holdup was getting approval from the Ohio EPA and funding for the project. Council members asked questions about the two bids received on the project and Heidi Milner from RCAP handed out information on funding approved and reviewed it with the Council. The Village is not paying for anything Question about whether the project can be done in November weather and it was explained that the contract time was extended for weather which can accommodate inclement weather that may occur.
